

2009 Membership Form

BLINK wants to welcome new athletes by providing them with resources to confidently compete in the sports of triathlon, running, cycling, and swimming. Through partnerships with Grand Rapids Bicycle Company, Gazelle Sports, and MVP, members will have access to their experienced and knowledgeable staff. Plus all are offering store and membership discounts!

We support a local charitable organization and to create awareness for its cause. For 2009 we will continue to partner with the Grand Rapids Wheelchair Sports Association.

BLINK is a team for everyone; those that want to be active, those that want to race, and those that want to win. All are invited and all are welcome.

Join our team for \$175. You will write two checks. One to BLINK for \$100, the other to the Grand Rapids Wheelchair Sports Association. Therefore, \$75 is a tax deduction.

Returning Members:

- \$60 to Blink and \$75 to Grand Rapids Wheelchair Sport Association (GRWSA). We dropped the dues to Blink because we are not planning on ordering additional uniforms this year.
- Includes a short-sleeve Brooks shirt and also a winter Brooks running hat.

Spouse Program:

- For an extra \$25 your spouse can be part of our Team.
- We provide a running shirt
- Your spouse will save as well at Gazelle Sports and also at Grand Rapids Bicycle Company for multisport related gear.

Your membership includes:

1. Racing and training uniform displaying the logos of the local corporations supporting our team
2. 10% off bikes, wheels, car racks and non-stocking brands. GRBC will still offer 20% on accessories, service, and special orders
3. 10% discount at Gazelle Sports
4. MVP Team Membership: \$0 enrollment fee and \$10 off the primary member's monthly dues
5. Instructional support through clinics provided by both Health Motion and Gazelle Sports
6. Team website containing workouts, group training events, and posted racing schedule
7. Camaraderie to get active and stay motivated and competitive through the entire season.
